

15 Year Guarantee

Supply and Installation

SureSet resin bound aggregate surfacing is fully guaranteed for fifteen years from the date of application against:

- Loose stone
- Cracking
- Oil damage
- UV degradation
- Colour change
- Frost damage
- Poor quality workmanship

Conditions of the Guarantee

Only valid if the advice of the SureSet After Care and Maintenance Leaflet has been followed.

Does not cover damage caused by insufficient design of the base for anticipated usage or ground conditions.

Does not cover damage caused by forceful impact, excessive loading or excessive usage.

Does not cover damage caused by sinkage, frost heave damage, tree roots and deformation or wheel tracking of any underlying structural layers.

Does not cover damage caused by reflective cracking from an underlying concrete, asphalt or any other base.

Does not cover mineralogical variations in the aggregates which may have an effect on their physical and mechanical properties.

Is conditional on a suitable surface course asphalt (wearing course macadam) or other approved substrate being provided by others.

At SureSet we are dedicated to providing the highest possible service with the highest quality product. We are confident that when installed in accordance with our quality standards, SureSet permeable resin bound paving will be a hard wearing, durable surface and will deliver exceptional performance for a range of uses from light pedestrian to vehicular access routes.

We are also confident in the workmanship of our installation teams, be it either our own directly employed teams or any of our fully approved sub-contractors from around the country.

We want you to feel that same confidence which is why we offer a full fifteen year guarantee to cover against all product failures caused by SureSet.
